Supervisor called the Public Hearing to order at 7:15 P.M. and the Supervisor presented the notice as published in the Daily News.

Karen Crupi- Questioned if there is a cost for the district. There is no cost. It's up to the property owners to mitigate drainage. If it is not maintained, then the Town can levy the cost.

Tony Crupi-Questioned whether there were other districts. The Town is in the beginning phase of drainage districts. Currently we have Water, Sewer and Fire Districts.

Supervisor Post declared the Public Hearing closed at 7:25 P.M. as no one else spoke on the proposed Establishment of the Oakwood Hills Drainage District.

Respectfully submitted,

Teressa M. Morasco  
Town Clerk
