Supervisor called the Public Hearing to order at 7:01 P.M. and the Supervisor presented the notice as published

Harry Sickerman, Representative for GGLDC and Debbie Gawron, Owner/President of Freightliner is seeking grants and financial assistance to develop a 44,000 sq ft truck parts and service facility on State Street Road.

Councilwoman Michalak questioned the truck traffic with the school and the buses. Ms. Gawron expressed that there are things they can do to direct traffic and encourage the trucks not to go through the City of Batavia. There are GPS services for truck routes.

Supervisor Post declared the Public Hearing closed at 7:08 P.M. as no one attended to offer assistance to the Town in defining community development priorities and possible projects for inclusion in an application to New York State Office of Community Renewal for Community Development Block Grant funding

Respectfully submitted,

Teressa M. Morasco  
Town Clerk
