Supervisor Post called the Public Hearing to order at 7:05 P.M. and the Supervisor presented the notice as published in the Daily News.

**David McCullough** expressed his concern with traffic and public safety, which is already an issue. If a business goes in there, it's going to add to the traffic. He also stated that the speed limit needs to be lowered in that area.

The Supervisor commented that they are aware of the affect and concern. It's an economic region of the area that is close to the thruway. This zone change would balance out the remainder of the parcel. As for the speed limit change, Mr. Post informed Mr. McCullough that there is process that he can start to petition for a change in the speed limit and submit it to the Town Clerk.

Supervisor Post declared the Public Hearing closed at 7:17 P.M. as no one else spoke for or against Local Law 4 of 2015 to amend the zoning map.

Respectfully submitted,

Teressa M. Morasco  
Town Clerk
